A GOLFER'S 'PARADISE FOUND'

Australia's number one golfing magazine, Australian Golf Digest, continues to endorse Paradise Palms Resort and Country Club with a place in its Top 100 biennial ranking.

Paradise Palms Resort and Country Club's course Professional, Des Shearer says that in recent years his team has worked hard to return Paradise Palms to its former glory and standing as Far North Queensland's best course.

"We have our sights firmly fixed on climbing these rankings even further over the next two years following the installation of the new course irrigation system and new course machine fleet upgrade."

When it comes to golf, Paradise Palms Resort and Country Club coordinates an annual and weekly program of events for its members and visitors. From an annual perspective, events include the XXXX Gold Super SKINS, LDI Constructions Blue Tee Open, TORO North Queensland Cup, Coral Princess Cruises Pink Tee Challenge and Birdies for first time lady golfers.

Paradise Palms Resort and Country Club currently services the needs of 1000 plus members who fall under one of four main categories in corporate, platinum, gold and silver. With the addition of the Kids Adventure Playground the new

Priority family membership was introduced last year and was successfully embraced by the community with 150+ families to date.

In February 2009, Paradise Palms Resort and Country Club welcomed its first overnight guests to stay in its new, 96 room, 4.5 star resort accommodation managed by Vision Hotels and Resorts. A name synonymous with quality accommodation, the management and design is based on award-winning sister property, The Lakes Cairns Resort and Spa.

Marking the introduction of the region's first golf course accommodation, the resort now offers a series of package and tour opportunities as well as an idyllic getaway for lovers of golf.

The development of a resort is all part of a big picture, being implemented by experienced north Queensland developers, H&S Vision Group. Other upgrades that are now complete include a major upgrade to the Queenslander Clubhouse, opening of new pro-shop and signature dining outlet, 59 Restaurant and Bar and Pelicans in Paradise adventure park comprising 2000 square metre children's playground, swimming and mini golf.
