### **A WORLD OF ITS OWN**

From its idyllic setting just 20 minutes north of Cairns at the base of rainforest clad mountains, Paradise Palms Resort and Country Club is one of Tropical North Queensland's truly special visitor experiences.

Everything associated with Paradise Palms Resort and Country Club is world-class from its natural surroundings and master-planned golf course to its impressive clubhouse, signature restaurant and more recently, opening in 2009 of its 96 room 4.5 star resort hotel resort operated by Vision Hotels and Resorts. This brand name is synonymous with distinctive service and quality facilities based on the award-winning formula of its sister property, The Lakes Cairns Resort and Spa.

Later that same year, Paradise Palms Resort and Country Club further added to its list of world-class facilities with the launch of Pelicans in Paradise adventure park in October. This precinct is oriented towards family enjoyment – yet can be enjoyed by visitors of all ages and interests. Highlights include a swimming pool, mini-golf course and 2000 square metre adventure playground complete with three Queenslander style cubby houses, bouncing pillow, climbing ropes and extensive lawn for recreation and sports.

When it comes to golf, Paradise Palms Resort and Country Club is northern Australia's most admired and challenging course – as much for the immaculate

greens and fairways – as its idyllic setting with sea views, cooling breezes and truly picturesque landscape framed by rainforest covered mountains.

A testament to its standing and regard by Australia's golfing industry, Paradise Palms Resort and Country Club enjoys consistent ranking in Australia's Top 100 courses (Australian Golf Digest).

A visit to Paradise Palms Resort and Country Club is not just about the golf – but a place to stay, play and dine – the latter of which invites guests to experience delicious food in signature dining outlet, Fifty Nine Restaurant & Bar. Since opening in June 2008 as part of a major refurbishment upgrade to the Clubhouse, a regular and repeat clientele of local visitors and guests enjoy quality cuisine from a modern Australian menu showcasing the freshest and best seasonal ingredients of Tropical North Queensland.

Not surprisingly, Paradise Palms Resort and Country Club is a popular venue for weddings, exhibitions, corporate meetings and special occasions. From small scale events to opening sessions for 200, the 400 square metre Austin and Mangano conference rooms and sweeping ocean view verandahs offer great flexibility. Paradise Palms Resort and Country Club is a world-class destination providing memorable events supported by its own professional conference and wedding coordination team.
