## **CREATING MEMORABLE EVENTS IN PARADISE**

Paradise Palms Resort and Country Club is in a class of its own when it comes to creating memorable events. The sky really is the only limit.

An experiential destination, Paradise Palms enjoys an idyllic setting at the base of World Heritage listed rainforest mountains with views to the Coral Sea. An elevated, undulating landscape is picture perfect thanks to the manicured greens and fairways of its championship golf course interspersed with waterways, stone bridges and flowering tropical gardens all the year around.

Guests are welcomed to Paradise within the impressive confines of the Queenslander style clubhouse complete with wide verandahs and enormous picture windows. This facility is home to a newly refurbished conference centre comprising both Austin and Mangano rooms that can be configured to tailor make events for groups up to 250.

Residential delegates will enjoy the convenience and comfort of the recently opened 96 room resort as well as 59 Restaurant and Bar. And visitors with families will play to their heart's content in another new development, Pelicans in Paradise Adventure Park. This recreation area is extensive and completely unique combining swimming pool, mini golf, mini Queensland cubby houses, giant bouncing pillow, an expansive games lawn and more.

An ideal half or full day incentive itinerary might begin with golf – be it a serious round of nine holes commencing with tuition (putting, driving and chipping clinic

with course pro that includes a 'filmed swing analysis') or a lighthearted turn at the newly completed mini-golf. For bigger groups, there is ample opportunity to provide both options simultaneously.

Swapping irons for frying pans and cocktail shakers, the golfing activity can progress to the kitchen with a cooking and/or cocktail class followed by a celebratory lunch in 59 Restaurant and Bar.

Vision Hotels and Resorts Sales and Marketing Manager, Alex Blake believes every event should be memorable. "What better way than to end with fun and what Paradise Palms can promise is a large dose of side splitting laughter on the giant bouncing pillow of Pelicans in Paradise adventure playground, among a range of other fun activities. Highly recommended!"

Paradise Palms Resort and Country Club is situated on the northern beaches of Cairns, just 20 minutes drive north of Cairns Airport along the Captain Cook Highway.
